Parents encouraged to join us at this time to have their lunch with your child and their buddy.

Making the transition from Kindergarten to Foundation can be an exciting time for children and their families. At GSPS we understand this can be a new and challenging experience.

To ensure a smooth and supported transition for students we offer a series of four transition sessions conducted over Term 4.

Students attend 3 x one hour and 1 x one and half hour sessions and get to participate in a variety of activities linked to experiences students will have in their Foundation year.
