Dear Parent/Guardian,

Guthrie Street Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for our **Year 3 and Year 4 students for 2025**.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to continue to provide enhanced learning opportunities, rich experiences and a diverse range of resources for our students. Guthrie Street Primary School makes every effort to keep the cost of items and activities to a minimum and affordable for all parents. We are proud of the outstanding programs and learning environment we provide for all students. The School Council recognises the importance of requesting parent payments and contributions to maintain this high quality.

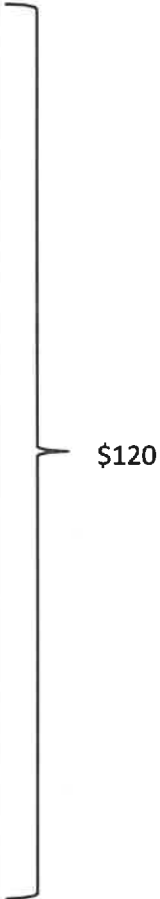

Please find attached details about Guthrie Street Primary Schools Parent Payment schedule for 2025, which includes an overview of what parent payments will contribute towards. All necessary consumable items will be supplied directly to classrooms in bulk and will be distributed to students as and when they are needed.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Brendan Bicknell – Principal

Travis Kreeck – School Council President
