We also have several teachers working in the **intervention and tutor** space:

Kathy Gibbs, Jenni Pugh & Lorraine Greenaway

Our **Wellbeing Team** is also similar to this year with Suzy Turton (Inclusive Education Officer) and Alicia Fox (Student Welfare Officer) working together out of our new Learning Hub in the library.

Placing Students into Classes

We are well into the process of placing students into classes for 2025 and will announce these on Orientation Day on Tuesday 10th December. Students will receive a letter with all the information regarding their class for 2025.

Rigor and Routine

As we build toward the end of the year and we have lots of activities in the last week, we are aiming to keep classroom rigor and routine consistent for as long as possible. This will help keep our students on track and not lose motivation. We ask that parents try to do the same at home over the next few weeks.

Kiwanis Terrific Kids

After many years of involvement at our school the Terrific Kids program will no longer be running through the Kiwanis Club of Shepparton. However, the good news is that the **Kiwanis Club of Shepparton Sunrisers** will be offering the Terrific Kids program under a new model.

Going forward there will be 4 awards per term, and they have been allocated as follows:

- Foundation
- Year 1/2
- Year 3/4
- Year 5/6.

The Terrific Kids Awards will be announced at the last assembly of each term which commences at 2:30pm.

Take Care,
Mr B

On the LOOKOUT

We use this closed statement with our students to remind and to recognise when they make great choices.

It is a quick beginning and end to behaviour we do and don't want to see continuing.

E.g, In the yard if kids are climbing on the poles a quick statement is 'We do the right thing because the right things is the best thing to do'.
